

## anti-gp120(Sm543)

|               |                                                                                           |
|---------------|-------------------------------------------------------------------------------------------|
| Cat No.:      | 01-01-3333                                                                                |
| Product Name: | anti-gp120(Sm543)                                                                         |
| Description:  | anti-gp120(Sm543)                                                                         |
| Type:         | Antibody                                                                                  |
| Property:     | IgG1                                                                                      |
| Source:       | Mouse                                                                                     |
| Applications: | ELISA, WB, IP, IF                                                                         |
| Formulation:  | Each vial contains 100                                                                    |
| Immunogen:    | Recombinant gp140(SIV/sm543) (IT-001-148p) protein (a.a. 23-671) (Genebank No. AAC56565). |
| Specificity:  | E660, Sm543 specific                                                                      |
| Purity:       | >95%                                                                                      |
| Storage:      | Store at -20°C, Avoid freeze / thaw cycle.                                                |
| Limitation:   | For research use only, not for use in diagnostic procedures.                              |
