

H7(Pan) Antigens Hemagglutinin ELISA Development Kit

Cat No.:	07-02-0127
Product Name:	H7(Pan) Antigens Hemagglutinin ELISA Development Kit
Description:	H7(Pan) Antigens Hemagglutinin ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of H7(Pan) hemagglutinin concentrations in cell culture supernatants and serum.
Storage:	Store at -20°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
