| Product Name: | Anti-gp120/160(Clade A)                                                                                  |
| Description:  | Anti-gp120/160(Clade A)                                                                                  |
| Type:         | Antibody                                                                                                 |
| Property:     | IgG1                                                                                                     |
| Source:       | Mouse                                                                                                    |
| Applications: | WB,ELISA,IP,IF                                                                                           |
| Formulation:  | Each vial contains 100                                                                                   |
| Immunogen:    | Recombinant gp140(92RW020)(Clade A) protein (a.a. 24-680)(IT-001-0011p) (Genebank accession AAT67478.1). |
| Specificity:  | Clade A specific                                                                                         |
| Purity:       | >95%                                                                                                     |
| Storage:      | Store at -20°C,Avoid freeze / thaw cycle.                                                                |
| Limitation:   | For research use only,not for use in diagnostic procedures.                                              |
