

## Anti-human CD123

|               |                                                             |
|---------------|-------------------------------------------------------------|
| Cat No.:      | 03-01-4826                                                  |
| Product Name: | Anti-human CD123                                            |
| Description:  | Anti-human CD123                                            |
| Type:         | Antibody                                                    |
| Property:     | Mouse IgG1/                                                 |
| Source:       | Mouse monoclonal antibody, clone 6H6                        |
| Applications: | IF, IP,IHC,WB,ELISA                                         |
| Formulation:  | 1mg/ml                                                      |
| Specificity:  | Human, NHP CD123                                            |
| Purity:       | >95%                                                        |
| Storage:      | Store at -20°C,Avoid freeze / thaw cycle.                   |
| Limitation:   | For research use only,not for use in diagnostic procedures. |
