

HA(

Cat No.:	01-02-0041
Product Name:	HA(
Description:	HA(
Type:	Recombinant Protein
Property:	6xHis tagged ectodomain of human influenza B virus (B/Florida/4/2006) HA protein (a.a.17-546)(Genebank accession no. ACA33493).
Source:	HEK293
Genbank No.:	ACA33493
Applications:	WB standard, antibody ELISA, immunogen
Formulation:	Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
