|               |                                                                                                                                                |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Cat No.:      | 01-02-0058                                                                                                                                     |
| Product Name: | HA(                                                                                                                                            |
| Description:  | HA(                                                                                                                                            |
| Type:         | Recombinant Protein                                                                                                                            |
| Property:     | C-terminal 6xHis tagged HA1(A/Texas/50/2012)(H3N2)<br>(a.a.17-345) (same as HA1 (A/North<br>Carolina/AF2843/2012(H3N2)), Genbank #: AFH57070). |
| Source:       | HEK293                                                                                                                                         |
| Genbank No.:  | AFH57070                                                                                                                                       |
| Applications: | WB standard, antibody ELISA, immunogen                                                                                                         |
| Formulation:  | Each vial contains 100 ug purified protein(1mg/ml) in<br>PBS(pH7.4).                                                                           |
| Purity:       | >95%                                                                                                                                           |
| Storage:      | Store at -80°C, Avoid freeze / thaw cycle.                                                                                                     |
| Limitation:   | For research use only, not for use in diagnostic procedures.                                                                                   |
