

## Ref-2013-HA(B)

|               |                                                                                    |
|---------------|------------------------------------------------------------------------------------|
| Cat No.:      | 01-02-0123                                                                         |
| Product Name: | Ref-2013-HA(B)                                                                     |
| Description:  | Ref-2013-HA(B)                                                                     |
| Type:         | Antibody                                                                           |
| Property:     | IgG                                                                                |
| Source:       | Rabbit                                                                             |
| Applications: | Neut., WB, ELISA, IP                                                               |
| Formulation:  | Each vial contains 100 ug purified IgG in 100 ul<br>PBS(1mg/ml) with 40% glycerol. |
| Specificity:  | 2013/2014 Seasonal HA(B)                                                           |
| Purity:       | >95%                                                                               |
| Storage:      | Store at -20°C, Avoid freeze / thaw cycle.                                         |
| Limitation:   | For research use only, not for use in diagnostic procedures.                       |
