F(

Cat No.: 01-07-0020

Product Name: F(

Description: F(

Type: Protein

Property: Purified recombinant protein

Source: HEK293

Genbank No.: Q6WB98

Applications: WB standard, Ab ELISA, immunogen, etc.

Formulation: Each vial contains 100 ug purified protein(1mg/ml) in

PBS(pH7.4).

Purity: >95%

Storage: Store at -80°C, Avoid freeze / thaw cycle.

Limitation: For research use only, not for use in diagnostic procedures.
