

HN (

Cat No.:	01-07-0022
Product Name:	HN (
Description:	HN (
Type:	Protein
Property:	Purified recombinant protein
Source:	HEK293
Genbank No.:	P04853
Applications:	WB standard, Ab ELISA, immunogen, etc.
Formulation:	Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
