

## G1 (Rabies virus China/DRV)

Cat No.: 01-08-0008

Product Name: G1 (Rabies virus China/DRV)

Description: G1 (Rabies virus China/DRV)

Type: Protein

Property: Purified recombinant protein

Source: HEK293

Genbank No.: Q0GBX6

Applications: WB standard, Ab ELISA, immunogen, etc.

Formulation: Each vial contains 100 ug purified protein(1mg/ml) in

PBS(pH7.4).

Purity: >95%

Storage: Store at -80°C, Avoid freeze / thaw cycle.

Limitation: For research use only, not for use in diagnostic procedures.
