| Cat No.:      | 01-01-1140                                                  |
| Product Name: | gp120 (NKU3006.ec1)                                         |
| Description:  | gp120 (NKU3006.ec1)                                         |
| Type:         | Protein                                                     |
| Property:     | Protein                                                     |
| Origin:       | Kenya                                                       |
| Source:       | HEK293                                                      |
| Genbank No.:  | AAW72270.1                                                  |
| Applications: | WB,ELISA,Immunogen                                          |
| Formulation:  | Each vial contains 100                                      |
| Purity:       | >95%                                                        |
| Storage:      | Store at -80°C,Avoid freeze / thaw cycle.                   |
| Limitation:   | For research use only,not for use in diagnostic procedures. |
| Note:         | Clade D                                                     |
